Dear Parents/Guardians:

Due to the many near accidents in the parking lot behind the middle school, I will be changing the direction of the entrance and it will become a "one way." This lot is for parking and should not be used as a drop-off or pick up area. The Roselle Park Police allow drop-offs in the front of the building and that is where it is safe to do so.

**Middle School and Robert Gordon students should only be dropped off at the front of the building.** If you pick up or drop off at the back, please use the street to park or drop off your student to either building. I do not want a serious accident or injury to result from cars pulling in, turning around and pulling out again.

This is done for the safety of all and with the approval from the Roselle Park Police and our Superintendent.

Thank you in advance for your anticipated cooperation.

Sincerely,

Patricia Gois, Principal
